PROGRAM ADMISSION REQUIREMENTS

General university admission requirements apply to this program including the undergraduate-level English Proficiency Requirement.

Within the framework of the Associate of Arts degree, students must complete at least 60 credits with a minimum of C in each course, including the following:

CRWR 1110	Introduction to Creative Writing II	3 credits

OTHER INFORMATION

Students can use their Associate of Arts degree in Creative Writing to apply to Kwantlen's Bachelor of Arts program as long as other third year entry requirements are met.

Students who receive an Associate of Arts degree in Creative Writing from Kwantlen will have appropriate course coverage to enter the Creative Writing major program at UBC; however, this does not guarantee a position in the major program because admission in the Department of Creative Writing at UBC is also based on students' portfolios.

The Creative Writing major program at UVic requires an additional two courses in Creative Writing at the 2000 level or higher. Currently, students can fulfill these requirements by completing two of the following four courses at Kwantlen: CRWR 3100, 3110, 3120, or 3130. However, completion of these additional courses does not guarantee a position in the major program because admission in the Department of Creative Writing at the University of Victoria is also based on students' portfolios.

The Creative Writing major program at Vancouver Island University (VIU) requires an additional three courses in Creative Writing at the 1000 or 2000 level or higher.

GRADUATION

Upon successful completion of this program, students are eligible to receive an **Associate of Arts Degree in Creative Writing**.
