## DESCRIPTION

The two-year Public Relations (PR) Diploma Program provides in-depth training for the next wave of public relations professionals. The KPU program is distinguished not only for providing the technical expertise to successfully work in PR, but also the strategic thinking and communications management that will help KPU grads to succeed and advance quickly within organizations.

## ADMISSION REQUIREMENTS

In addition to the Faculty's Admission Requirements, which consist of KPU's undergraduate English Proficiency Requirement, the following program admission requirements apply:

- English 12 with a minimum grade of B (or equivalent), or a transferable undergraduate level English course with a minimum grade of C

**Note:** A lack of basic writing skills or word processing computer skills will hold the student back, so applicants are urged to upgrade this area before starting the program. Successful applicants will be invited to attend an orientation session sometime in May. The purpose of this session is to provide an opportunity to meet faculty, ask questions about the program, and to explore what the program entails. Arrangements will be made to accommodate out-of-town applicants.
