## CONVOCATION PROTOCOL

Family and friends are requested to rise when the graduands' procession enters. The assembly is requested to remain standing until the conclusion of the singing of *O Canada*.

Convocation will conclude with the recession of the platform party, floor party and graduates, during which everyone is requested to remain standing. Artona photographers will be taking photographs of each student as they cross the stage and proofs will be mailed to each student following the ceremony. So as not to disrupt the program, or the view of other guests, we ask that you please remain seated for the duration of the ceremony.

## CONVOCATION RECEPTION

We invite all graduates and their guests to enjoy refreshments immediately following the ceremony in Convocation Hall, located in the atrium of the Surrey Main building.

## MESSAGE FROM THE CHANCELLOR

**E**ducation is such a critical part of what makes communities better. Through education, we gain perspective, understanding and a foundation for individual and collective success. Today, we celebrate your successes, and recognize how far you have come both personally and professionally.

This is your day, and now is your time. At KPU, you have had the opportunity to be a part of something great. The university is bigger, better and bolder than ever, and this is just the beginning. Like yours, our future is exciting. We are Canada's only polytechnic university, and our graduates are local and global leaders.

The impact KPU has on the community is massive, and your role in that will continue as you set out to achieve new goals. Our alumni have the power to affect change, and they positively impact all of our communities—including ours, right here, at KPU. Your success is the university's success.

It is an honour to have assumed the role of chancellor and I am especially proud to be doing so as a KPU alumnus. Kwantlen Polytechnic University is my university, and it will forever be yours as you continue your journey to success.

To our bigger, better, bolder futures.

Sincerely,

A handwritten signature in black ink, appearing to read "G. Melville". The signature is fluid and cursive, written over a thin horizontal line.

**Dr. George Melville**  
Chancellor

## MESSAGE FROM THE PRESIDENT AND VICE-CHANCELLOR

On behalf of the entire KPU community, I welcome one and all to this happy day of celebration where we honour our fall 2019 graduates.

KPU has a unique mandate in the national post-secondary system and is the largest university of its kind in Western Canada.

We are a learning ecosystem, rooted in a culture of sustainability, creativity and quality that inspires our people and our communities. By thinking and acting together, we transform lives and empower positive change.

We are guided by our strategic plan, VISION 2023 and its 12 goals direct us to improve the experiences of students and employees at KPU; to sustain ourselves, the environment and our diverse cultures; to foster creativity in its many forms; and to do all this with quality.

I am fortunate to work with wonderful colleagues, our Board of Governors, our chancellor, members of the KPU Alumni and Foundation boards, our friends in local, provincial and federal governments, and so many community partners as we work towards this vision together.

Our graduates today will join our existing alumni and make their way into the world of work, citizenship and further learning, reflecting the best of KPU to our communities both locally and globally.

Best of luck to you all as you embark on your life journey.

A handwritten signature in black ink that reads "Alan Davis". The signature is fluid and cursive, with the first name "Alan" and the last name "Davis" clearly distinguishable.

**Dr. Alan Davis**  
President and Vice-Chancellor

## OUR STORY

**K**wantlen Polytechnic University (KPU) is an innovative, transformative and ambitious institution that serves the needs of Metro Vancouver, British Columbia, and beyond. KPU offers a range of degree, diploma, certificate, and citation programs with opportunities for hands-on experience and experiential learning. With campuses in Richmond, Surrey, Cloverdale, and Langley, and a new expansion into Civic Plaza in Surrey City Centre, KPU has opened the doors to success for more than 250,000 students for nearly four decades.

Established in 1981 by the Province of British Columbia, KPU proudly adopted the name of the Kwantlen First Nation, whose people are acknowledged historically as 'tireless runners.' The name has proven to be prophetic as KPU, the institution, runs tirelessly to expand its capacity to serve the citizens of Metro Vancouver, the province, the nation, and the world.

As Canada's only polytechnic university, KPU is committed to providing students with a unique learning experience that cannot be found elsewhere, while also providing the ethical framework and critical understanding necessary for good citizenship. The University's commitment to applied research and innovation with external partners enhances the quality of its teaching, and contributes significantly to the economic development of the region.

As a university that allows for multiple interpretations of excellence, students define and design the path to success that's right for them at KPU: where thought meets action.

## HONOURARY DEGREE & AWARD RECIPIENTS

## HONOURARY DOCTOR OF LAWS | *Honoris Causa*

Honourary Doctorate Degrees are the highest form of recognition granted by KPU to recognize persons who are distinguished by their significant contributions and accomplishments and whose excellence will reflect positively upon KPU.

### **Lucille Pacey**

Lucille Pacey's extensive experience in the education and technology sectors covers more than 20 years. As the former President and CEO of Arts Umbrella, Canada's visual and performing arts institute for young people ages 2 to 19, Lucille is committed to providing quality art education to all children. Prior to joining Arts Umbrella she consulted with the education sector and most notably was on contract with the Reed MIDEM Organization based in Paris, helping launch an international market for educational services and products.

As Vice-President of the Open Learning Agency, she had direct operating responsibility for the Open University, Open College, Open School and the Knowledge Network, the public educational television service in British Columbia. She has participated in numerous initiatives related to policy development for the social uses of technology (public education and distance education) and has sat on many boards and associations related to technology research and new applications and approaches to life-long learning.

Lucille is currently the chair of the National Board for Culture Days, a board member of The Vancouver International Film Festival and a board member of the International Woman's Forum in Vancouver. She has served on the board of Emily Carr University of Art and Design, the board of the Vancouver Biennale, and has acted as president of the Canadian Association for Distance Education. Lucille was also the founding president of the non-profit society Art Starts in schools and chaired the CANARIE Board, Canada's network for advanced research.

### **K. Jane Watt**

An accomplished researcher, book producer, historical consultant, and award-winning writer and editor, Jane Watt has made an invaluable contribution to capturing the varied history of British Columbia. As a consultant, Jane has engaged and worked with a variety of individuals and organizations ranging from the business world to non-profits to government. As the Past President of the British Columbia Historical Federation, an umbrella organization for more than 100 affiliated heritage organizations in BC that research, promote, and preserve the province's history, she continues to work tirelessly supporting local history across the province. Under her leadership, the BC Historical Federation was able to embrace new technology and online services to help meet the needs of members and engage with a wider audience, boosting the reputation and impact of the organization.

Jane's work is always based on collaboration, and always interdisciplinary, drawing from local knowledge. Her 2006 book *High Water: Living with the Fraser Floods* has become a valued resource both for historians and municipal planners as the region contends with the seasonal moods of the Fraser River and climate change. She is a regular speaker throughout the region, conducting workshops or seminars for the Township of Langley, School District 34, School District 35, The Langley Heritage Society, Surrey Libraries, Metro Vancouver Parks, among others. A recent project, *Surrey: A City of Stories*, has been recognized with a Heritage BC Award and was a finalist in the BC Book Prizes. The book is in every school in Surrey, both public and private, as well as all Surrey public libraries. Jane's passion and exemplary efforts as a scholar and mentor continue to demonstrate the importance of knowing our own history and her work continues to inspire new generations.

### **David Porter**

Dr. David Porter is the CEO of eCampusOntario, the primary face of the Ontario Online Learning Consortium (OOLC), a not-for-profit corporation composed of all publicly funded colleges and universities in Ontario. David was formerly Associate VP Educational Support and Innovation at the British Columbia Institute of Technology and prior to that was the Executive Director of BCcampus where, in 2012, he and his team engineered Canada's first government funded open textbook program—a leading-edge development in higher education. David has also worked as a project leader and consultant for international open and distance learning initiatives, including projects in Mongolia, Malaysia, Vietnam, and India.

In 2015-2016 David served in his home community of North Vancouver as Chair of the North Vancouver District Library Board, and is currently completing his second term as Chair of the Advisory Council for the School of Education and Technology at Royal Roads University. ## HERALDRY

## KWANTLEN POLYTECHNIC UNIVERSITY

The Arms of Kwantlen Polytechnic University were presented at a ceremony on May 4, 1999 by the Right Honourable Romeo LeBlanc, Governor General of Canada.

The centre shield features 'The Spirit of KPU' emblem comprising a wolf, a salmon, and a river azure as styled by Brandon Gabriel.

At the top of the blue shield, on the left side a lion and on the right a tiger facing each other in the rampant position (upright on one hind leg with forelegs outstretched as if attacking). And at the bottom of the blue shield, on the left a jaguar and on the right a Chinese dragon also facing each other in the rampant position. All are gold.

At the top in the centre, there is an open book with silver or white pages, bindings in gold and on top of it, a gold horizontal (in fess) rectangle (billet) with square bites taken out of the long sides (bretessed). In modern heraldry, this item is meant to represent a computer chip.

The crest appears above the shield, and is supported by a silver and blue twisted fabric wreath. The upper rim is set with a simple silver crown, the upper edge decorated with four salmon, looking at each other in pairs.

Supporting the arms is a green grassy mound, scattered with gold Douglas Fir cones. The mound is rising from wavy horizontal bands of blue and silver. This is the traditional heraldic representation of water - either river or ocean.

On the left is a gold female deer with blue hooves, and her bottom half is a silver fishtail with gold fins. Around her neck is a wreath of twisted silver and blue cloth. Hanging from the wreath is a green disk with an open book on it—the pages are silver; the cover is gold.

On the right is a gold eagle with a silver head, with blue talons and beak. Around his neck is a wreath like the doe's and hanging from it is a green disk with the heraldic representation of a gold computer chip.

The motto reads: Through Tireless Effort, Knowledge and Understanding.

## UNIVERSITY MACE

The mace was originally a weapon during the medieval period, and came to be associated with the prowess and strength of the knight. Today the mace is a symbol of the University's authority to award degrees and diplomas. It indicates the seriousness of convocation as the University's most important academic ceremony, and is a confirmation of the University's integrity as an academic institution. The mace is carried by a mace-bearer, who leads the processional of faculty and students in to and out of the venue where convocation is held. The mace is usually between four feet and six feet in length and will incorporate the history and tradition that surround the vision for the University.

An academic mace symbolizes the authority vested in the chancellor to confer university credentials. This is why the mace is an integral part of convocation.

Maces are often commissioned to commemorate a milestone anniversary or presidential inauguration. Typically an artist is selected for the honour to develop a highly symbolic design that incorporates the University's traditions.

KPU's mace was carved by Kwantlen First Nation artist Drew Atkins.

## REGALIA

Not until they slip into their regalia, do many graduands realize the significance of their convocation ceremony. For family and friends, the first glimpse of the graduand in cap and gown heralds a milestone in the life of their loved one.
