CONVOCATION PROTOCOL

Family and friends are requested to rise when the graduands' procession enters. The assembly is requested to remain standing until the conclusion of the singing of *O Canada*.

Convocation will conclude with the recession of the platform party, floor party and graduates, during which everyone is requested to remain standing. Artona photographers will be taking photographs of each student as they cross the stage and proofs will be mailed to each student following the ceremony. So as not to disrupt the program, or the view of other guests, we ask that you please remain seated for the duration of the ceremony.

CONVOCATION RECEPTION

We invite all graduates and their guests to enjoy refreshments immediately following the ceremony in Convocation Hall, located in the atrium of the Surrey Main building.

MESSAGE FROM THE CHANCELLOR

Education is such a critical part of what makes communities better. Through education, we gain perspective, understanding and a foundation for individual and collective success. Today, we celebrate your successes, and recognize how far you have come both personally and professionally.

This is your day, and now is your time. At KPU, you have had the opportunity to be a part of something great. The university is bigger, better and bolder than ever, and this is just the beginning. Like yours, our future is exciting. We are Canada's only polytechnic university, and our graduates are local and global leaders.

The impact KPU has on the community is massive, and your role in that will continue as you set out to achieve new goals. Our alumni have the power to affect change, and they positively impact all of our communities—including ours, right here, at KPU. Your success is the university's success.

It is an honour to have assumed the role of chancellor and I am especially proud to be doing so as a KPU alumnus. Kwantlen Polytechnic University is my university, and it will forever be yours as you continue your journey to success.

To our bigger, better, bolder futures.

Sincerely,

A handwritten signature in black ink, appearing to read 'G. Melville', written in a cursive style.

Dr. George Melville
Chancellor

MESSAGE FROM THE PRESIDENT AND VICE-CHANCELLOR

On behalf of the entire KPU community, I welcome one and all to this happy day of celebration where we honour our spring 2019 graduates.

KPU has a unique mandate in the national post-secondary system and is the largest university of its kind in Western Canada.

We are a learning ecosystem, rooted in a culture of sustainability, creativity and quality that inspires our people and our communities. By thinking and acting together, we transform lives and empower positive change.

We are guided by our strategic plan, VISION 2023 and its 12 goals direct us to improve the experiences of students and employees at KPU; to sustain ourselves, the environment and our diverse cultures; to foster creativity in its many forms; and to do all this with quality.

I am fortunate to work with wonderful colleagues, our Board of Governors, our chancellor, members of the KPU Alumni and Foundation boards, our friends in local, provincial and federal governments, and so many community partners as we work towards this vision together.

Our graduates today will join our existing alumni and make their way into the world of work, citizenship and further learning, reflecting the best of KPU to our communities both locally and globally.

Best of luck to you all as you embark on your life journey.

A handwritten signature in black ink that reads "Alan Davis". The signature is fluid and cursive, with the first letters of the first and last names being capitalized and prominent.

Dr. Alan Davis
President and Vice-Chancellor

OUR STORY

Kwantlen Polytechnic University (KPU) is an innovative, transformative and ambitious institution that serves the needs of Metro Vancouver, British Columbia, and beyond. KPU offers a range of degree, diploma, certificate, and citation programs with opportunities for hands-on experience and experiential learning. With campuses in Richmond, Surrey, Cloverdale, and Langley, and a new expansion into Civic Plaza in Surrey City Centre, KPU has opened the doors to success for more than 250,000 students for nearly four decades.

Established in 1981 by the Province of British Columbia, KPU proudly adopted the name of the Kwantlen First Nation, whose people are acknowledged historically as 'tireless runners.' The name has proven to be prophetic as KPU, the institution, runs tirelessly to expand its capacity to serve the citizens of Metro Vancouver, the province, the nation, and the world.

As Canada's only polytechnic university, KPU is committed to providing students with a unique learning experience that cannot be found elsewhere, while also providing the ethical framework and critical understanding necessary for good citizenship. The University's commitment to applied research and innovation with external partners enhances the quality of its teaching, and contributes significantly to the economic development of the region.

As a university that allows for multiple interpretations of excellence, students define and design the path to success that's right for them at KPU: where thought meets action.

**HONORARY
DEGREE & AWARD
RECIPIENTS**

HONORARY DOCTOR OF LAWS | *Honoris Causa*

Honorary Doctorate Degrees are the highest form of recognition granted by KPU to recognize persons who are distinguished by their significant contributions and accomplishments and whose excellence will reflect positively upon KPU.

Jan Unwin

A leader in education, Janice Unwin has dedicated herself to bettering the future and advocating for children and her passion for doing so is clear.

As the superintendent of the Maple Ridge-Pitt Meadows School District, Jan led the district to many accomplishments including increased graduation rates, improved literacy rates, and the implementation of a reporting model to replace traditional letter grades.

Now, completing her role as the superintendent of graduation and student transitions, a joint appointment by the Ministry of Education and the Ministry of Advanced Education, Skills and Training, Jan has continued to encourage innovation in education. She's been vital in the transformation of BC's education system, acting as a liaison between the province's school districts and post-secondary institutions over the course of renewing elementary and secondary curriculums.

Wanting to emphasize the need to provide opportunities for self-direction and to make learning experiences meaningful, Jan's worked tirelessly to create new, innovative possibilities including the KPU portfolio project in partnership with the Kwantlen Education Policy Incubator and Surrey Schools.

A critical and creative thinker set on pushing the boundaries of the future of education forward, Jan's left a lasting mark in education, the community, and beyond.

Elana Rosenfeld

Elana Rosenfeld co-founded Kicking Horse Coffee in her garage more than 20 years ago. In a move that set a new standard for the Canadian coffee industry, she insisted on using only 100% organic and Fairtrade coffee. From humble beginnings in her garage in Invermere, BC, to recognition as North America's top organic coffee, Elana has grown Kicking Horse Coffee into a highly recognizable brand that employs 130 people and sells across Canada and the United States. A leader both in the local community and across the country, Elana currently sits as the vice-chair of the Nature Conservancy of Canada. She has been named an Ernst and Young Entrepreneur of the Year and Kicking Horse Coffee has repeatedly been named one of the best workplaces in Canada.

**CONVOCATION
TRADITIONS**

HERALDRY

KWANTLEN
POLYTECHNIC
UNIVERSITY

The Arms of Kwantlen Polytechnic University were presented at a ceremony on May 4, 1999 by the Right Honourable Romeo LeBlanc, Governor General of Canada.

The centre shield features 'The Spirit of KPU' emblem comprising a wolf, a salmon, and a river azure as styled by Brandon Gabriel.

At the top of the blue shield, on the left side a lion and on the right a tiger facing each other in the rampant position (upright on one hind leg with forelegs outstretched as if attacking). And at the bottom of the blue shield, on the left a jaguar and on the right a Chinese dragon also facing each other in the rampant position. All are gold.

At the top in the centre, there is an open book with silver or white pages, bindings in gold and on top of it, a gold horizontal (in fess) rectangle (billet) with square bites taken out of the long sides (bretessed). In modern heraldry, this item is meant to represent a computer chip.

The crest appears above the shield, and is supported by a silver and blue twisted fabric wreath. The upper rim is set with a simple silver crown, the upper edge decorated with four salmon, looking at each other in pairs.

Supporting the arms is a green grassy mound, scattered with gold Douglas Fir cones. The mound is rising from wavy horizontal bands of blue and silver. This is the traditional heraldic representation of water - either river or ocean.

On the left is a gold female deer with blue hooves, and her bottom half is a silver fishtail with gold fins. Around her neck is a wreath of twisted silver and blue cloth. Hanging from the wreath is a green disk with an open book on it—the pages are silver; the cover is gold.

On the right is a gold eagle with a silver head, with blue talons and beak. Around his neck is a wreath like the doe's and hanging from it is a green disk with the heraldic representation of a gold computer chip.

The motto reads: Through Tireless Effort, Knowledge and Understanding.

UNIVERSITY MACE

The mace was originally a weapon during the medieval period, and came to be associated with the prowess and strength of the knight. Today the mace is a symbol of the University's authority to award degrees and diplomas. It indicates the seriousness of convocation as the University's most important academic ceremony, and is a confirmation of the University's integrity as an academic institution. The mace is carried by a mace-bearer, who leads the processional of faculty and students in to and out of the venue where convocation is held. The mace is usually between four feet and six feet in length and will incorporate the history and tradition that surround the vision for the University.

An academic mace symbolizes the authority vested in the chancellor to confer university credentials. This is why the mace is an integral part of convocation.

Maces are often commissioned to commemorate a milestone anniversary or presidential inauguration. Typically an artist is selected for the honour to develop a highly symbolic design that incorporates the University's traditions.

KPU's mace was carved by Kwantlen First Nation artist Drew Atkins.

REGALIA

Not until they slip into their regalia, do many graduands realize the significance of their convocation ceremony. For family and friends, the first glimpse of the graduand in cap and gown heralds a milestone in the life of their loved one.

Standard for Academic Dress

At KPU, all graduates wear a black gown of Oxford shape and a black cap with a black tassel. Graduates of our bachelor's degree programs wear hoods in the Aberdeen style, made of black pilgrim cloth and bordered with a one half inch border. The border of each hood is a specific colour that identifies a particular area of study.

ACKNOWLEDGEMENTS

Kwantlen Polytechnic University would like to thank the many donors who, through their generosity and support of scholarships, awards, libraries and programs, have enabled deserving and dedicated students to complete their post-secondary education.

We would also like to thank our many dedicated faculty and staff who support our students in so many ways. This commitment to excellence by our faculty and staff ensures that our students have the necessary resources available to them to succeed.

We also thank our soloist Lauren Berg from the KPU music program and Michael Creber and Sharon Minemoto on the piano for leading the convocation ceremonies in the singing of *O Canada*. We thank Joel Melnyk, a KPU Alumnus, for composing the processional music for the ceremonies.

We would like to take this opportunity to extend a very special thank you to all those who give to our students - including their families - in so many ways. They would not be able to do it without your care, support and encouragement.

Congratulations
to our Graduates!
