Message from
The Chancellor

Convocation is an exciting occasion on which we gather to recognize your proud achievements while looking forward to the endless possibilities and optimistic expectations for the future. As years of dedication, sacrifice and diligence come to sweet fruition on this day, celebrate it with your beloved families and friends who have provided you with support and guidance on this journey.

As you enter a new chapter in life, rest assured that your experience at Kwantlen Polytechnic University has well prepared you with the knowledge and skills to face new challenges, whatever they may be.

As Kwantlen alumni, we know that you will remain actively engaged in the community and serve as valuable members of our society. Your education at Kwantlen will not only lead you to realizing personal dreams, but also make a profound difference in the world.

Congratulations on your ongoing success and may your lives be filled with prosperity.

Sincerely,

A handwritten signature in black ink that reads "Arvinder Singh Bubber". The signature is written in a cursive, flowing style.

*Message from
The President and Vice-Chancellor*

On behalf of our Board of Governors, our Senate and Faculties, and the Staff and Administration of the University, it is with great pride and pleasure that I offer congratulations to the Class of Fall 2013 graduates.

With its continuing dedication to students like each of you, Kwantlen Polytechnic University has opened its doors to success for over 250,000 people in the past 30 years. Today you join the Convocation and will assume a permanent place among the growing list of graduates who have contributed to and become an integral part of the University's history.

Take the time on this special day to celebrate your accomplishment with family, friends and all those who have supported you through your time with us. We look forward to keeping in touch with you as members of our Alumni Association as you embark on your careers.

It has been our privilege to help each of you on your journey, and we wish you continued success.

A handwritten signature in black ink that reads "Alan Davis". The signature is written in a cursive, flowing style.

Alan Davis

Convocation Protocol

Parents and friends are requested to rise when the graduands' procession enters. The assembly is requested to remain standing until the conclusion of the singing of **O Canada**.

Convocation will conclude with the recession of the platform party, floor party and graduates, during which everyone is requested to remain standing.

Artona Photographers will be taking photographs of each student as they cross the stage and proofs will be mailed to each student following the ceremony. So as not to disrupt the program or the view of other guests we ask that you please remain seated for the duration of the ceremony.

Convocation Reception

We invite all graduates and their guests to enjoy refreshments immediately following the ceremony in Convocation Hall, located in the atrium of the Surrey Main building.

Kwantlen's Story

Kwantlen Polytechnic University is an innovative, transformative and ambitious institution that serves the needs of Metro Vancouver, British Columbia, and beyond. KPU strives at all times to inspire students to excel in their careers, lead in their communities, and succeed in their lives. With campuses in Richmond, Surrey-Newton, Surrey-Cloverdale and Langley, (and now with ties to Maple Ridge) KPU has opened the doors to success for more than 250,000 graduates over its thirty year history.

Established in 1981 by the Province of British Columbia, our institution proudly adopted the name of the Kwantlen First Nation, whose people are acknowledged historically as 'tireless runners.' The name has proven to be prophetic as KPU tirelessly strives to expand its capacity to serve the citizens of Metro Vancouver, the province, the nation, and the world.

KPU is a teaching university, delivering degree programs, credentials in technology and trades, career and preparatory studies and professional education, all of which reflect and express its unique polytechnic mandate. The University emphasizes applied degree education and is committed to broad-based undergraduate learning that prepares students for successful and rewarding careers while also providing them with the ethical framework and critical understanding necessary for good citizenship. KPU's innovative style of education involves work-integrated and service learning, practical connection to industry and small class sizes where supportive learning environments and enhanced teacher student relationships are valued. The University's commitment to applied research and innovation with external partners enhances the quality of its teaching, and contributes significantly to the economic development of the region.

As a university that allows for multiple interpretations of excellence, students define and design the path to success that's right for them. Their key to success is a KPU experience that transforms students into graduates who lead in their communities.

President's Outstanding Graduate Award, Bachelor's Degree Program

Darryl Andrew Cox

Bachelor of Business Administration in Accounting Program

Darryl Cox's incredible passion for learning is one of the many reasons he is the Fall Convocation recipient of the President's Outstanding Graduate Award for a student in a bachelor's degree program.

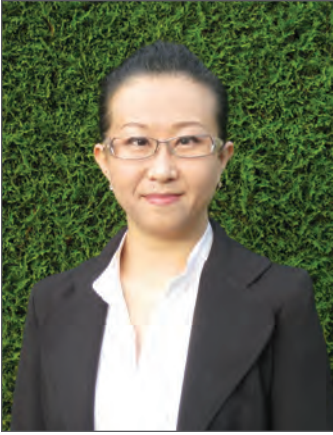

Since beginning at KPU in the fall of 2007, Darryl has been working towards his Bachelor in Business Administration in Accounting degree, and his career goal of obtaining his Chartered Professional Accounting (CPA) designation with Manning Elliott Accountants & Business Advisors in Vancouver. During his time at KPU, Cox refined his natural problem-solving ability, and honed new skill sets he developed while at university.

Not only did Cox excel at what he learned in the classroom, but he took his education one step further and applied lessons to life. Wading through complex analytical business cases taught him how to actively search for solutions, and Cox would even spend his evenings tutoring students free-of-charge just to gain more experience with handling case problems.

Moving forward, Cox would like to eventually earn his Master of Business Administration (MBA) and Chartered Financial Analyst (CFA) designations, and apply the skills he learned at KPU to other projects, including Android and iPhone app development.

This award encourages Kwantlen students to excel in their chosen fields of study and to participate in university, student and community activities to the benefit of others. Recipients have completed all their study in one program at Kwantlen; have consistently shown outstanding ability in the field; have contributed in a significant way to Kwantlen or community affairs; and may be recommended by faculty.

President's Outstanding Graduate Award, Diploma Program

Jing (Amanda) Zhang

Diploma in Accounting Program

Jing Zhang began her studies at KPU taking English as a Second Language (ESL) courses to improve her English skills. Five years later, she is graduating with a diploma in what she describes as “the basic language of business” – accounting – and is proud to be the recipient of the President’s Outstanding Graduate Award in a diploma program.

Throughout her studies, Zhang has volunteered as a tax professional, administrative assistant and store assistant for multiple organizations, including social service agency S.U.C.C.E.S.S., the Lord’s Peace Chapel and the BCSPCA, where her love of animals kept her volunteering for two years.

This award means a lot to Zhang. For her, it is the fruits of all of the effort and hard work she has put into her studies; a symbol of her refusal to give up when the road to becoming a public accountant with her CGA license proved more challenging than expected. A returning student in her early 30s, Zhang credits her ability to overcome difficulties, as well as the opportunities for growth that KPU provides, for her confidence in her abilities, and in herself.

This award encourages Kwantlen students to excel in their chosen fields of study and to participate in university, student and community activities to the benefit of others. Recipients have completed all their study in one program at Kwantlen; have consistently shown outstanding ability in the field; have contributed in a significant way to Kwantlen or community affairs; and may be recommended by faculty.

Convocation Traditions

Heraldry

The Arms of Kwantlen Polytechnic University were presented at a ceremony on May 4, 1999 by the Right Honourable Romeo LeBlanc, Governor General of Canada.

The centre shield features 'The Spirit of Kwantlen' emblem comprising a wolf, a salmon, and a river azure as styled by Brandon Gabriel.

At the top of the blue shield, on the left side a lion and on the right a tiger facing each other in the rampant position (upright on one hind leg with forelegs outstretched as if attacking). And at the bottom of the blue shield, on the left a jaguar and on the right a Chinese dragon also facing each other in the rampant position. All are gold.

At the top in the centre, there is an open book with silver or white pages, bindings in gold and on top of it, a gold horizontal (in fess)

rectangle (billet) with square bites taken out of the long sides (bretessed). In modern heraldry, this item is meant to represent a computer chip.

The crest appears above the shield, and is supported by a silver and blue twisted fabric wreath. The upper rim is set with a simple silver crown, the upper edge decorated with four salmon, looking at each other in pairs.

Supporting the arms is a green grassy mound, scattered with gold Douglas Fir cones. The mound is rising from wavy horizontal bands of blue and silver. This is the traditional heraldic representation of water - either river or ocean.

On the left is a gold female deer with blue hooves, and her bottom half is a silver fishtail with gold fins. Around her neck is a wreath of twisted silver and blue cloth. Hanging from the wreath is a green disk with an open book on it—the pages are silver; the cover is gold.

On the right is a gold eagle with a silver head, with blue talons and beak. Around his neck is a wreath like the doe's and hanging from it is a green disk with the heraldic representation of a gold computer chip.

The motto reads: Through Tireless Effort, Knowledge and Understanding.

University Mace

The mace was originally a weapon during the medieval period, and came to be associated with the prowess and strength of the knight. Today the mace is a symbol of the university's authority to award degrees and diplomas. It indicates the official nature of Convocation as the university's most important academic ceremony, and is a confirmation of the university's integrity as an academic institution. The mace is carried by a mace-bearer, who leads the processional of faculty and students in to and out of the venue where Convocation is held. The mace is usually between four feet

and six feet in length and will incorporate the history and tradition that surround the vision for the university.

An academic mace symbolizes the authority vested in the chancellor to confer university credentials. This is why the mace is an integral part of Convocation.

Maces are often commissioned to commemorate a milestone anniversary or presidential inauguration. Typically an artist is selected for the honour to develop a highly symbolic design that incorporates the university's traditions.

Kwantlen's mace was carved by Kwantlen First Nation artist Drew Atkins.

Regalia

Not until they slip into their regalia, do many graduands realize the significance of their Convocation ceremony. For family and friends, the first glimpse of the graduand in cap and gown heralds a milestone in the life of their loved one.

Standard for Academic Dress

At Kwantlen Polytechnic University, all graduates wear a maroon gown of Oxford shape and a black cap with a black tassel. Graduates of our bachelor's degree programs wear hoods in the Aberdeen style, made of black pilgrim cloth and bordered with a one half inch border. The border of each hood is a specific colour that identifies a particular area of study.
