## Connecting to eduroam with OS X

1. In the menu bar, click Turn Wi-Fi On.

- 2. You will see a resulting list of Wi-Fi networks. Select the **eduroam** network.
- 3. You will be prompted for login credentials.

**Students:** Enter your KPU email address (ending with @email.kpu.ca) as your username. Enter your PIN in the password field. Click **Join**.

**Employees:** Enter your KPU email address (ending with @kpu.ca) as username. Enter your password. Click **Join**.

4. You may be asked to verify the certificate. If so, click **Show Certificate**.
