

# New Student Checklist

## INTERNATIONAL STUDENTS

---

- Apply for your Study Permit, Eta and/or Temporary Resident Visa (if applicable).** [Click here](#) for more information.
- Register for the mandatory [New Student Orientation](#).**
- Download the KPU [iCent app](#) and the [MySSP app](#)** for quick access to lots of free resources and services.
- Learn more about the [International Peer Mentorship Program](#).** As a new student, you are automatically assigned an International Peer Mentor to support you in your first semester at KPU!
- Connect with your International Education Advisor.** Your Advisor will contact you in your KPU email before the start of classes. Visit [this page](#) to book an appointment or check the advising daily drop-in schedule.
- Review the University Calendar.** This is the official guide to KPU's programs and where you can find a list of courses you are required to take in your program. You can access the calendar [here](#).
- Register for courses on your assigned registration date and time.** You can find your registration ticket under "Register for Courses" in [one.kpu.ca](#). We also run free registration webinars every semester, usually about a month before the registration period starts – keep an eye out for an invitation on your KPU email!
- Check all important [dates and deadlines](#) for your first semester.**
- Pay your tuition & fees in full by the [deadline](#) to avoid late penalty fees.**
- Please update your email and mailing address** on the [Online Self-Services \(OSS\)](#) Please note that **all correspondence from KPU will be sent to your KPU email address** and NOT your personal email.
- Apply for your student KPU card [here](#)** which is important for identification, access to various campus services and borrowing library material and equipment.
- Learn what to expect from your classes.** Check out [these resources](#) with tips on how to prepare for and adapt to a Canadian classroom. Complete this [tutorial](#) on Academic Integrity prior to the start of classes.
- Check out all these [free services](#) available to you** at KPU!
- Get familiar with your KPU email and check it frequently.** This is where you will receive important messages and updates from the University. You can access your KPU email via [one.kpu.ca](#). For instructions on how to set up and use your KPU email, [click here](#).
- Stay in touch!** Reach out to [internationaltransitions@kpu.ca](mailto:internationaltransitions@kpu.ca) if you have questions or need any type of support.
